Hi Jer,

Yes, \$10,000 was approved in FY20 for the Mexicali Purple Air Sensor Network project.

Thanks for checking!

- Angie

Hi Angela,

Can you confirm if FY20 Mexicali Purple Air Sensor Network project was approved? Program said they're not aware the funds were approved.

Thank you,

Hi Jer,

Thanks for the heads-up. You can send an extension request now. We are currently finalizing our FY21 CAA 105 amounts and will hopefully be able to provide a response and award the remainder of your grant soon.

Have a good weekend!

- Angie

Hi Angela,

We're getting more inquiries on requesting an extension for Sec 105 projects. When would you like us to submit the extension request by? When should we expect to find out if it's been approved?

Thank you,

Jer Yang

Subject: CARB - Extension request for CAA 105 Salton Sea project

Hi Angela,

Program would like to request an extension for CAA 105 Salton Sea project.

Justification: the competitive process for the facilitation process may take 5-6 months which would delay when we can start with the stakeholder meetings. The meetings themselves are expected to take 10 weeks and then we need a couple of months at the end for the PI to write up the report. This takes us past the current September 30th deadline.

Remaining funds by 9/30/21: \$10K-15K of the original \$75K

Please let us know if there is anything you need from us.

Thank you,

Jer Yang
